Appendices

	Introductory Comments	133
1	Recommendations for Teaching Business Law in Canada	131
2	The Yates Cases	153
3	Comments with Respect to the Yates Cases	171

A Note on the Appendices

The first appendix to this manual consists of a research paper by Richard A. Yates on teaching business law. It summarizes trends and focuses on a teaching approach that is modeled on the case study method of the Harvard School of Business. This research provided the impetus for the creation of the “Yates Cases,” which are included in the second appendix. The third appendix provides commentary on how they might be used in a business law course.
